

# Sentosa Discovery Guide

January 2026

Did you know?

The name of our island – **Sentosa** - is taken from the language of the native Malays, which means "peace and tranquillity".

At its highest point, the **Singapore Cable Car** reaches 120m above sea level — the height of 20 stacked giraffes!

The first and only bungee tower in Singapore, the **Skypark Sentosa by AJ Hackett** stands at 47m, equivalent to a 17-storey jump!

Ever wanted to fly across the island at 75m high? Take on **MegaZip** and soar at 60km/h – just like an eagle.

Docked at Sentosa to present stunning views and cocktails, **Super Yacht Royal Albatross** was featured in the movie – The Dark Knight.
